

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

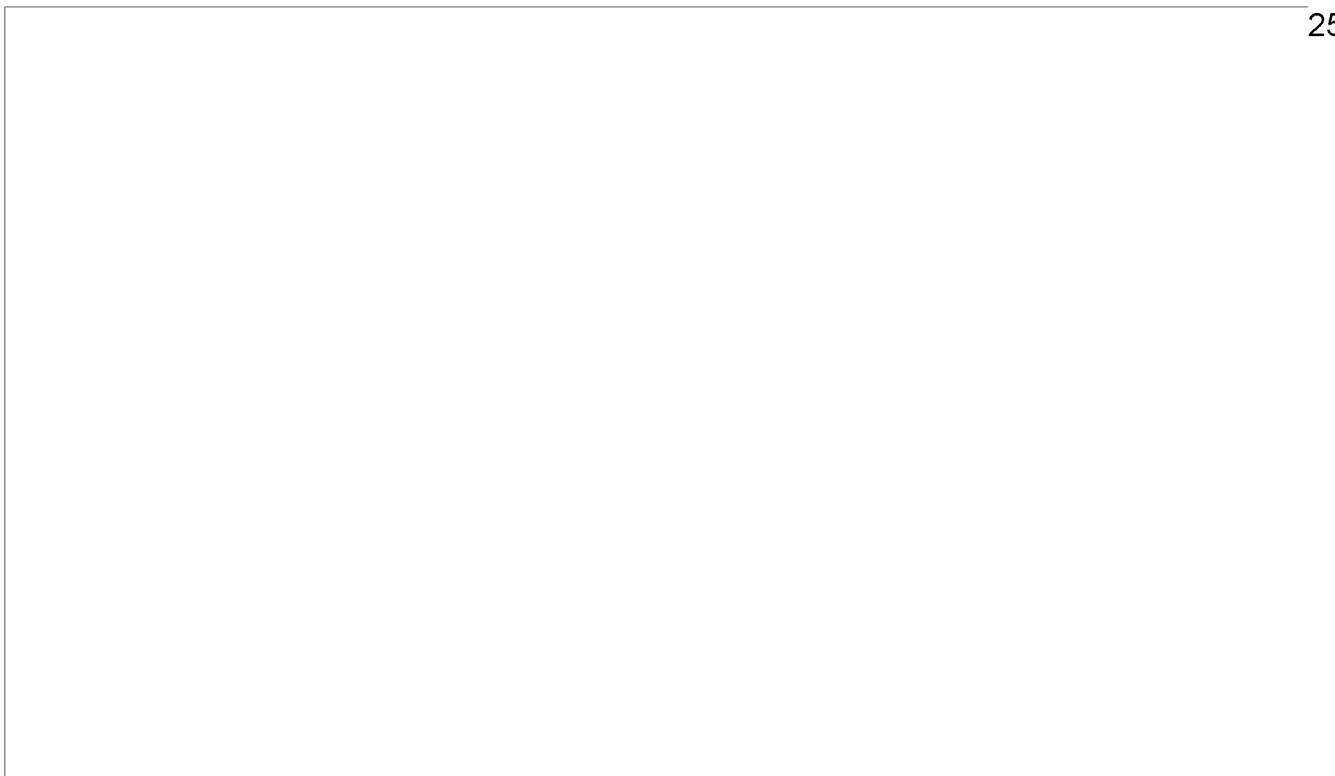

Friday - 10 June 1960

25X1

2.  Met with Representative Charles E. Bennett to discuss with him the problems raised in his letter to the Department of State and CIA dated 13 May 1960. He wished to discuss the international law aspects of the U-2 case and some of the "untrue" press statements. I believe at the completion of the interview he was satisfied with the information furnished and will not push the matter further. See Memorandum for the Record.
